MEMORANDUM FOR: Chief, SR/CI

ATTENTION :

[]

SUBJECT : Canadians Trained in the USSR

REFERENCE : OOOA-5295, 7 April 1962

1. AECASSOWARY/2 was asked whether he thought he could obtain details in addition to the original information supplied by him about the Canadians trained in the USSR. He does not expect to be in Canada again until sometime in June. However, A/2 said he would make an effort to obtain whatever additional information he could, although he was not able to predict how much, if any more, source knows about the individuals concerned.

2. AECASSOWARY/2 is not willing to reveal his source to the Canadians for obvious reasons. The source continues to be socially accepted by the Progressive circles in Canada and his change of political sympathies is not known to them. An approach to him by the Canadians, if it became known by his colleagues, would not stand him in good stead. Also, if questioned in regard to subject individuals, A/2's involvement with either or both the Americans and the Canadians would become obvious to him since he supposedly gave this information only to A/2. A/2 is willing, however, to discuss with source the desirability of his voluntarily reporting his knowledge in this regard to the Canadians. The results of A/2's next contact with source will be made known to you.

3. We should like to help in whatever way we can. However, we do feel obligated to protect A/2's source and, therefore, request that his name not be revealed to the Canadians.
